

How-To Login

In order to reduce the number of usernames and passwords you have to remember, P3 leverages OMB MAX as its authentication provider. Just like applications that require you to login to Facebook or Google, P3 requires you to login to OMB MAX. As an additional layer of security, we require you to login with your PIV or CAC card that is registered to OMB MAX.

i You must login to OMB MAX using your PIV or CAC card to authenticate with P3. If you have not linked your CAC or PIV card with OMB MAX, please use this guide to set it up: <https://max.omb.gov/community/display/Egov/PIV+and+CAC+Card+Registration+Instructions>
